Fauquier Habitat Elects Two New Board Members, Launches Redesigned Website

Warrenton, Va. – The Fauquier Habitat For Humanity Board of Directors has elected Kim Cybulski and John Suter to its Board of Directors. Cybulski and Suter will each serve three-year terms.

Cybulski, a mortgage loan originator, has been actively involved with Fauquier Habitat for Humanity for the last three years. The Hume, Va., resident also serves as the co-chair for Fauquier Women Build, the Fauquier Habitat For Humanity volunteer program for women that helps the organization with everything from fundraising to house-building.

Suter spent 20 years in the United States Air Force and another 21 years in the aerospace and defense private sector, specializing in business development. A resident of Marshall, Suter is president of the Marshall Business and Resident's Association and a regular volunteer on Fauquier Habitat for Humanity build sites.

“As we add or replace board members whose term is ending, it is important that we find individuals that bring experience and/or background in various areas of business and the community, as well as a strong belief in our mission,” said Fauquier Habitat for Humanity Board President T. Huntley Thorpe. “John and Kim fill those requirements. They both have been serving on committee's as well as working on build sites for several years. Their business and personal backgrounds, as well as their enthusiasm for the Habitat makes them ideal additions to our board.”

Added Board Vice President David E. Couk, Jr.: “The additions of John and Kim to our board will add to the positive energy that is vital for an organization like ours to continue moving forward.”

Cybulski and Suter join the board as Fauquier Habitat For Humanity begins its 20th year serving the Fauquier and Rappahannock County communities by eliminating substandard housing. Its dedicated volunteers also are busily working on its current site build, the seven-duplex Sterling Court project in Warrenton.

As part of its 20th anniversary celebration, the organization launched a redesigned website at www.fauquierhabitat.org. The new site features a news feed and photo albums for both Fauquier Habitat For Humanity and its Fauquier Women Build partners as well as information and sign-up instructions for volunteers. The site also will give visible recognition to the organization's supporters, including businesses that take advantage of

the newly created Title Sponsor campaign, which allows businesses to sign up to sponsor multiple Habitat for Humanity and Women Build events with one commitment.

For information on Fauquier Habitat For Humanity, visit www.fauquierhabitat.org or call 540 349 4952.

About Fauquier Habitat For Humanity: Celebrating its 20th year, Fauquier Habitat for Humanity works in partnership with the Fauquier and Rappahannock County communities to eliminate the blight of poverty housing. Since 1991, it has built 40 homes and rehabilitated several others for deserving, low-income families that need a hand up. Like all Habitat for Humanity recipients, Fauquier Habitat For Humanity families pass a detailed qualification process, participate in a continuing education program, and invest hundreds of hours of their own labor into building their Habitat houses. Once they move in, they make regular mortgage payments and remain engaged in Habitat For Humanity's ongoing education program as well as their community. Fauquier Habitat For Humanity is an affiliate of Habitat for Humanity International.
