Fauquier Habitat For Humanity Dedicates Three New Homes In Sterling Court

Warrenton, Va. – Fauquier Habitat for Humanity dedicated three new homes in its Sterling Court development in a public ceremony held this morning.

The Habitat families honored in the dedications went to settlement and purchased their homes on April 27th, are now able to move in. The homeowners, which passed an extensive qualification process, assisted with the actual building of their home, and attended required classes, will begin paying their 30-year mortgage and local real estate taxes in June.

The seven-duplex subdivision in Sterling Court is the largest and most ambitious project undertaken in Fauquier Habitat's 20-year history. Once completed, 14 low-income families will have purchased decent, affordable housing.

The three new homes bring the total number of homes built by Fauquier Habitat for Humanity to 43.

About Fauquier Habitat For Humanity: Celebrating its 20th year, Fauquier Habitat for Humanity works in partnership with the Fauquier and Rappahannock County communities to eliminate the blight of poverty housing. Since 1991, it has built 43 homes and rehabilitated several others for deserving, low-income families that need a hand up. Like all Habitat for Humanity recipients, Fauquier Habitat For Humanity families pass a detailed qualification process, participate in a continuing education program, and invest hundreds of hours of their own labor into building their Habitat houses. Once they move in, they make regular mortgage payments and remain engaged in Habitat For Humanity's ongoing education program as well as their community. Fauquier Habitat For Humanity is an affiliate of Habitat for Humanity International.
