

Through shelter we empower.

Greetings!

Fauquier Habitat for Humanity is excited to present our annual Golf Tournament, "Golf for Homes," on **Friday, October 3rd, 2025**, at the prestigious Fauquier Springs Country Club. We brought back this beloved rain-or-shine event to our community last year, ultimately raising a total of **\$23,320.10** for Fauquier Habitat's programs supporting local families seeking affordable homes. With your support, we look forward to making even more of an impact this year!

The mission of Fauquier Habitat for Humanity is to build strength, shelter, and self-reliance by rebuilding a diverse working class based on locally rooted wealth. Proceeds from the tournament fund this charitable endeavor. Your participation in this event will permanently affect residents and families of Fauquier and Rappahannock counties through our

- New home builds
- Rehabbed homes
- Critical Home Repairs program
- Aging in Place program, and
- Homeowner education and financial education classes.

We are inviting you to participate and **become an event sponsor!** Information regarding sponsorship and event participation can be found on the flyers enclosed here. Your generosity and community-minded spirit can help make the dream of affordable homeownership a reality for hard-working families across Fauquier County and keep our neighbors safe and independent.

Your support is even more important this year, as we seek to close the funding gaps caused by the federal government's budget cuts and program downsizing. Golf for Homes will be one of our major fundraising events, with 100% of the profits supporting our programs.

Thank you for helping our families -- not with a handout, but a hand up.

Sincerely,

Charles Robinson
